I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When there's no one else around

I'm gonna take you girl and hold you
Do all the things I told you
In the midnight hour, yes, I am

I'm gonna wait till the stars come out
And see that twinkle in your eyes
I'm gonna wait till the midnight hour
When my love begins to shine

I'm gonna take you in my arms and hold you
Do all the things I told you
In the midnight hour, yes, I am
Just you and me in the midnight hour, midnight

I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When there's no one else around

I'm gonna take you girl and hold you
Do all the things I told you
In the midnight hour, in the midnight hour
Just you and me, yes, I am

In the midnight hour, in the midnight hour
In the midnight hour, in the midnight hour
In the midnight hour, in the midnight hour
In the midnight hour
