All at sea again
And now my hurricanes
Have brought down this ocean rain
To bathe me again

My ship's a sail
Can you hear its tender frame?
Screamin' from beneath the waves
Screamin' from beneath the waves

All hands on deck at dawn
Sailin' to sadder shores
Your port in my heavy storms
Harbors the blackest thoughts

I'm at sea again
And now your hurricanes
Will bring down my ocean rain
To bathe us again

My ship's a sail
Can you hear its tender frame?
Screamin' from beneath your waves
Screamin' from beneath your waves

All hands on deck at dawn
Sailin' to sadder shores
Your port in my heavy storms
Harbors the blackest thoughts

All hands on deck at dawn
Sailin' to sadder shores
Your port in my heavy storms
Harbors the blackest thoughts

All at sea again
And now our hurricanes
Have brought down this ocean rain
To bathe us again

My ship's a sail
Can you hear its tender frame?

Screamin' from beneath the waves
Screamin' from beneath your waves

Screamin' from beneath the waves
Screamin' from beneath the waves

All hands on deck at dawn
Sailin' to sadder shores
Your port in my heavy storms
Harbors the blackest thoughts
