I see a red door and I want to paint it black
No colours anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes

I see a line of cars and they're all painted black
I'll hunger then my love and never to turn black
Maybe then I'll fade away and not have to face the
facts
It's not easy facin' up when your whole world is black

I look inside myself and see my heart is black
I see a red door and want to paint it black
I see them turn their heads and quickly look away
Like a new born baby it just happens every day

No more will my green sea go turn a deeper blue
I cannot foresee this thing happening to you
If I look hard enough into the settin sun
My love will laugh with me until the mornin comes

I see a red door and want to paint it black
No colours anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes

Hmm, hmm, hmm...

I wanna see it painted, painted black
Black as night, black as coal
I wanna see the sun - blotted out from the sky
I wanna see it painted, painted, painted, painted black

Yeah!

Hmm, hmm, hmm...
