I found a thing in a bedroom  
Change the shape of the world for long enough  
Got the boat 'til as far as I could  
Afford it to take me, it was far enough

Mature you said at the wrong time  
Broke my aging skin 'cause age was mine  
Had a field day, smelt like roses  
Harvesting my thoughts 'cause it was time

When you grasped the question  
Did you miss the meaning?  
When you met your challenge  
Did you go out fighting?

We will discover  
Ripeness twice over

Sing your song, worth its weight  
In God gold, curse its fate

When you grasped the question  
Did you miss the meaning?  
When you met your challenge  
Did you go out fighting?

How will we recover  
Ripeness when it's over?

I lost something in a big room  
Change the shape of the world for long enough

When you grasped the question  
Did you miss the meaning?  
When you met your challenge  
Did you go out fighting?

When you climbed on top  
Did you fall on shadows?  
And clambering off  
Did you fall on rainbows?

How will we recover  
Ripeness when it's over?

Neither kinder nor the kinder  
(How will we recover?)  
Are you fuel for the fire?  
(Ripeness when it's over)

Neither [Incomprehensible] nor the over  
(How will we recover?)  
Must have others to inspire  
(Ripeness when it's over)

I've discovered my Nietzsche  
I've discovered my Nietzsche

Death should be unleashed or something  
(How will we recover?)  
(Ripeness when it's over)  
Do tell me what's the difference?  
(How will we recover?)

Do tell me what's the difference?  
(Ripeness when it's over)
