Ethereally mine  
Magic trees  
They really used to shine  
My silver leaves

Bet you're wondering how  
Bet you're wondering how  
Bet you're wondering how  
Bet you're wondering how

Scissors in the sand  
Rubberised  
Watch his other hand  
Ventriloquised

Bet you're wondering who  
Bet you're wondering who  
Bet you're wondering who  
Bet you're wondering who

Something on the roof  
And in the wall  
My silverfishing youth  
Swim don't crawl

Bet you're wondering how  
Bet you're wondering how  
Bet you're wondering how  
Bet you're wondering how

Scissors in the sand  
Rubberised  
Watch his other hand  
Ventriloquised

Bet you're wondering why  
Bet you're wondering why  
Bet you're wondering why  
Bet you're wondering why
