Where were we  
Fearless and only ever scared of me  
Peerless and tearless

That was me  
Cold as ice  
On my knees  
Every night  
Snow white

Where were you  
When all the doors were closing  
You forced me to  
Of all of us it's you who chose  
It's you who chose

Not me  
Cold as ice  
On my knees  
Everynight  
Snow white

Where were we  
When I was fearless and only ever scared of me  
Peerless and tearless

Where am I  
Still trying to find the light  
That burns the northern sky  
A rarer borealis

Born to be  
Made of lights  
On my knees everynight  
Snow bright

Yeh thats me  
Cold as ice  
On my knees  
Everynight  
Snow white

Born to be  
Made of lights  
On my knees everynight  
Snow bright
