Woke up sad  
When am I ever gonna learn  
It's in my head  
But I can't say the words

I had it in my hands  
Lost my nerve  
I gave it and I got it  
In return

One day  
I'll come around  
Wonder when  
I'll turn around  
And start again

My fingerprints  
Have left their traces  
On all the things  
The people and the places

I ever felt  
And felt a part of  
I touched the life  
And kissed the heart of

One day  
I'll come around  
Wonder when  
I'll turn around  
And start again  
Start again

Nothing dies  
Nothing ever dies

Woke up sad  
When am I ever gonna learn  
It's in my head  
Time to take my turn

I had it in my hands

Lost my nerve  
Gave it and I got it  
In return

And one day  
I'll come around  
Wonder when  
I'll turn around  
And start again

I'll come around  
And start again  
Start again  
Wonder when  
Wonder when  
Wonder when
