Flying and you know I'm not coming down
You're trying but you know you soon go down
All my colors turn to clouds
All my colors turn to cloud

Zimbo, zimbo, zimbo, zimbo, zimbo
Zimbo, zimbo, zimbo, zimbo, zimbo
Zimbo, zimbo, zimbo, zimbo, zimbo
Zimbo, zimbo, zimbo, zimbo, zimbo

What's to say when your heart's in pieces
How to play those cards in sequence
That box you gave me burned nicely
The box you gave me burned nicely

Zimbo, zimbo, zimbo, zimbo, zimbo
Zimbo, zimbo, zimbo, zimbo, zimbo
Zimbo, zimbo, zimbo, zimbo, zimbo

Flying down, flying down
All my colors turn to clouds
All my colors turn to cloud

Hey, I'm flowing, hey, I'm flowing
The box you gave me burned nicely
That box you gave me burned nicely
Hey, I've flown away, hey, I've flown away
All my colors
