I am walking behind you
Just so I can smell you
Please don't turn around

I am walking beside you
Like a snake in you I writhe to
Achieve all that you conceal
These feelings that I feel

You turned me in too soon
You turned me in too soon
By the light of the pale moon
You turned me in

You're my bride but you're my killer
When I hunt you you come nearer
In belief I'm not a murderer at all

I can keep this up forever
Buy you roses
Send you letters
I need you in my life
I need you in my death

You turned me in too soon
You turned me in too soon
By the light of the pale moon
You turned me in
You turned me in
With your skin
You turned me in
With your skin
You turned me in
With your skin
You turned me in
With your skin
You turned me in
With your skin

You turned me in too soon
You turned me in too soon
By the light of the pale moon
You turned me in
