You were a nice dream
When you were far away from me
You were a nice dream

My head is anchored
My heart is anchored
My feet are anchored
But you pull me from the ground
Pull me around

Chorus:

Is it different
Now that you can drive
Is it different
Now that you can fly
Will the debutantes send their sons?
Do you really think
I'm the only one?

Verse III, IV:

You know I'm changing
You know I'm changing
You know I'm changing
And I'm fighting every word
That you've heard

I crave the contact
I crave the contact
I crave the contact
Can I get there from you?
Pull me through?

Chorus

Chorus II, III:

Give up order
Give up the time
Change your leader
Saying you're mine

I am breaking open the tryst
Are you ready to resist

I'm not watching the news anymore
I'm not feeding the dogs of war
I am breaking open the tryst
Are you ready to resist
