Verse I:

You're so far away from me
I feel my hands are corpses
When they find their way to me
I'll be coming home in boxes
Find yourself in your TV
Chasing all the foxes
Just another casualty

Chorus:

Only for you
I'll be this way
Unplug your world
Unplug your way
Feel my affection
Without walls of shame
Take my attention
I won't sell you a thing

Verse II:

I would like to help you dance
Fill your lungs with passion
Fill your arms with fire
Baby give yourself a chance
It's your own obsession
You're my favorite mystery
You're water carving stone
