Two hours sleep again  
So that makes six or seven days  
Since I could steal a wink of sleep from this cold bed  
Stop watching planes, he said  
My sanity's securely frayed  
This city's slowly giving me nowhere to go  
An as antennas bleed into the sky  
My mind is set on winter's end  
Driving convertibles down highways  
That never end

So I'm moving out to South Dakota, yeah  
I'm moving out to South Dakota  
And I'll see you out in South Dakota, yeah  
I'll see you out to South Dakota

Just let me drive away  
Instead of chasing all those dreams  
And that's the answer to this mess inside my head  
Just tolls and heart attacks  
But don't break me down and keep me sane  
And running doubts into these things  
My numbered days  
We can't go back, we can't go back  
To how things were, to how things were  
But if I find a highway long enough  
I swear I'll go

I'm moving out to South Dakota, yeah  
I'm moving out to South Dakota  
So I'll see you out in South Dakota, yeah  
I'll see you out to South Dakota

Promise you'll live it well  
Cause this could be last time  
You get to roll the windows down  
(Promise you'll live it well)  
Radio turned up as loud as hell  
(Cause this could be the last time)  
Promise you'll live it well  
Cause this could be last time  
You get to roll the windows down

(Promise you'll live it well)  
Radio turned up as loud as hell  
(Cause this could be the last time)

So I'm moving out to South Dakota, yeah  
I'm moving out to South Dakota  
So I'll see you out in South Dakota, yeah  
I'll see you out to South Dakota, yeah

Promise you'll live it well  
(So I'm moving out to South Dakota, yeah)  
Cause this could be last time  
(I'm moving out to South Dakota)  
You get to roll the windows down  
(So I'll see you out in South Dakota, yeah)  
Radio turned up as loud as hell  
(I'll see you out to South Dakota)  
Promise you'll live it well  
(So I'm moving out to South Dakota, yeah)  
Cause this could be last time  
(I'm moving out to South Dakota)  
You get to roll the windows down  
(So I'll see you out in South Dakota, yeah)  
Radio turned up as loud as hell  
(I'll see you out to South Dakota)
