You were grounded,
Hadn't eaten or slept for days,
When I found you,
You're washed out,
Your life, your loves,
Everyone founders,
But you are a spell that I'm under.

Alive, live for the rest of your life,
You're alive, live for the rest of your life,
It's the way it goes.

You were wounded,
Suck the poison from your vein,
Sow a seed for you,
A fever once again,
Your life, your death,
Everything's wrong,
But you are the heart of this song.

Alive, live for the rest of your life,
You're alive, live for the rest of your life,
You're alive, live, live, live, la la la la la la live,
You are alive, you are alive.

It's the way it goes,
It's the way we are,
It's the way we chose,
It's the way we are.

My life your death,
Everyone founders,
But you are a spell that I'm under.

Alive, live for the rest of your life
You're alive, live for the rest of your life
You're alive, live, live, live, la la la la la la live,
You are alive, you are alive.
