Give me starlight
Iâ€™m dying
Give me appetite
Iâ€™m dying
Give me everything
No higher than the waist
Give me reason
Iâ€™m dying
To know your warm side
All you radiate
To see the sunrise
Out on the way beyond
The space between the lines
Where itâ€™s only natural

Give me sunflowers
Iâ€™m dying
Give me opium
Iâ€™m dying
Give me symphonies
A choir for the wake
Give me fever
Iâ€™m dying
To know your warm side
All you radiate
To see the sunrise
On the way beyond
The space between the lines
Where itâ€™s only natural

You will never know what youâ€™ve done
You will never know what youâ€™ve done
You will never know what youâ€™ve done
