What's it all about ah ha ha,  
Spent my whole life praying for a chance to be here,  
And things are not the same as expected,  
It's been a hard time.

Oh to be wrong,  
There's no heaven in the sky,  
Have you ever,  
Well here's your chance and you can't tell me  
This is wrong  
There's no heaven in the sky  
Have you ever, have you ever, have you ever  
Cared to scream.

First you steal my breath ha ha ha,  
And now I'm short on trust,  
I stand up for the test,  
And then I lie down.

Oh to be wrong,  
There's no heaven in the sky,  
Have you ever,  
Well here's your chance and you can't tell us,  
This is wrong,  
There's no heaven in the sky,  
Have you ever, have you ever, have you ever  
Cared to scream,  
Cared to scream.

Let me take you down,  
'cos I feel divine,  
Like some holy cow,  
On a fallen shrine,  
Like a waterfall,  
Made of alcohol  
Oh why, tell me why.

Waiting for a friend ah ha ha,  
It's been a long time,  
I'm waiting here again,  
Such a long time.

Long, long, long,  
Long, long, long,  
You, oh you bring me down,  
You, you kill me,  
You kill me,  
You kill me.
