I deny feeling inside for a long time,
and now I realize there are part of everyone,
like a sleeping hitler,
There's strength of destruction,
I thought part of me,
when pain is the opium.
But it's much too late to be judged,
How I wish I was blindly,
I wish I was blindly,
I wish I was blindly,
blindly loved.
For desire,
carry the cross of obsession,
a tumbling of launch,
I naturally poisoned,
I'm a sleepig hitler,
No better than anyone,
I've learned to be civilized,
and that is the difference.
But it's much too late to be judged,
how I wish I was blindly,

I wish I was blindly,
I wish I was blindly,
I wish I was blindly,
Wish I was blindly,
I wish I was.
I know who you are,
I'll tell you something,
I know what you are,
I know because you showed me,
I was really out there,
Oh yes you showed me,
I was really out there.
But it's much too late to be judged, anymore,
I wish I was blindly,
I wish I was blindly,
I wish I was blindly,
Wish I was blindly,
I wish I was,
Wish I was blindly,
Wish I was blindly,

blindly loved,
blindly loved,
blindly loved,
I wish I was blindly loved.
