Once in a while,  
I'll be the figure on the sleeve, on the sleeve,  
Is there anyone who understands me?,  
Oh anyone anyone anyone more than you,  
I've played blind men's games for a vision,  
Just to see, just to see, just to see how low,  
Would you like to see how low I go?,  
Won't you see how low I go?  
Now that it's over I'm left on the floor,  
Cold and I'm sober,  
It is worse than before,  
And I hate that I want you,  
How could I know,  
I still love.  
Once in a while,

I'll be the joker on the scene, on the scene,  
Is there anyone who cares to listen?,  
Kill the tormentor in my dream,  
We're out in the big wide world for a mission,  
So why do I feel inside, empty and so small,  
And I called to say,  
Hello, hello, hello, hello, hello, hello.  
Now that it's over I'm left on the floor,  
Cold and I'm sober,  
It is worse than before,  
And I hate that I want you,  
How could I know,  
I still love.  
Why do I, who do I, why do I love you?.
