I saw you walking alone heart as free as a window  
Holding a phone  
Talking to another man  
I'm watching the city  
From a taxi  
Ricochet talk back  
Vauxhall bridge  
You're eyeliner's blue  
Brings out the fun in you  
Let's have a good time

I saw you walking alone  
Heart as free as a diamond  
Solitary girl  
Looks like you're on fire

Concentrate on a space in time  
Like a lion i walk through the red night  
Your love puts me in rewind  
And i know  
Yes i know your favourite line  
Yes i know your eskimo eyes
