Yeah, alright, alright, alright, baby
I need your loving girl, so won't you give it to me?
Right now, oh yeah, oh yeah, oh alright

Let me take you on a little trip
To a place I've bet you've never been
Can you ride the pony like Genuine?
'Cause if you can, you know I'm gonna make you mine

I'm in da zone baby, 'cause now it's on, baby
It's time for me to let you know who's in control, baby

I'm not the type of G that'll mess around
I promise you, I'll never let you down
I swear to you, I'm gonna make you smile
You be my fair lady, let me wear the crown

I'll be your king, baby, I've got the bling, baby
Give you a ring to let you know I'm down with you, lady

Girl, I need your love, your love, your love, your love,
uh huh
Can't you see I need your love, baby?
It's good grub, it's like gravy, just say that you need my
love
Say that you need my loving, yeah

Girl, I need your love, your love, your love, your love,
uh huh
Can't you see I need your love, baby?
It's good grub, it's like gravy, just say that you need my
love
Say that you need my loving, yeah

Let me take you down, step on in
Let me show you how I will begin
I'll guarantee I will make you mine
Get ready, get set, let's bump and grind

I'm in da zone baby, 'cause now it's on, baby
It's time for me to let you know who's in control, baby

Get ready, on your mark, let's do this right, let's do this right
Giddy up, giddy up, from start to finish, girl, let's ride
C'mon, baby, let's get this going
With this magic glass on you there will be steady
flowing

Girl, I need your love, your love, your love, your love,
uh huh
Can't you see I need your love, baby?
It's good grub, it's like gravy, just say that you need my
love
Say that you need my loving, yeah

Girl, I need your love, your love, your love, your love,
uh huh
Can't you see I need your love, baby?
It's good grub, it's like gravy, just say that you need my
love
Say that you need my loving, yeah

I'm in da zone baby, wanna please, baby
Drive me crazy, now you wanna be my lady
City by there, see it is we
Tell me could it be real, live, dream, or a scheme

Down with the team, making the cream
Poor lay, baby, runs in my jeans
Lyrics so clean, shine with a bling
Party gonna be everything when it's a fling

Don't worry 'bout a thing, me and the Kings
Rockin' it down, with all sound
All over town, love to clown
What's up girl? Rock that world

Eat your love, rubba dub
We belong together like a hand and a glove
What's up mama? Time to go home
Together forever, when I'm in my zone, yeah

I'm in da zone baby, I'll be your kings, baby
Just say that you need my love
Say that you need my loving, yeah
C'mon, c'mon

Girl, I need your love, your love, your love, your love,
uh huh
Can't you see I need your love, baby?
It's good grub, it's like gravy, just say that you need my
love

Say that you need my loving, yeah
