Taking back what's mine.
I've been constant in my ways but still you've left me
far behind.
This story is yours to read
By now have you figured out I have my own ending!

Imagine my regret!
How could you say hello again?
Goodbye.

Another time another place for me I find myself
Running circles running circles circling inside my head
This past I can only blame what's mine.
If you could If you would see my angle as I leave this all
for you.

Imagine my regret!
How could you say hello again?
Goodbye.
Imagine my regret!
How could you say hello again?
Goodbye.

How do you know what's in store for you?
How do you know what becomes of you?
How do you know what is left for you?
How do you know?
How do you know?

Imagine my regret!
How could you say hello again?
Goodbye.
Imagine my regret!
How could you say hello again?
Goodbye.
