Is this our last goodbye or is there nothing more that I  
can do to change your mind?

So long I'll leave you here to find those feelings left  
inside. I think you'll change your mind.

Be now who you wanna be. put aside all the things you  
loathe to remember.

Yesterdays gone you'll see cleanse your hands wash  
them clean!

Be now who you wanna be, put aside all the things you  
loathe to remember.

Yesterdays gone you'll see cleanse your hands wash  
them...

Tonight I lay alone staring at pictures on my wall  
waiting for you to make that call.

I must confess to you I not perfect who knew? All I know  
is that I want you back, nothings changed in your heart  
that's a matter of fact!

Be now who you wanna be. put aside all the things you  
loathe to remember.

Yesterdays gone you'll see cleanse your hands wash  
them clean!

Be now who you wanna be, put aside all the things you  
loathe to remember.

Yesterdays gone you'll see cleanse your hands wash  
them...

Back up, back up!

Back up, back up!

Back up, Back up!

Be now who you wanna be. put aside all the things you  
loathe to remember.

Yesterdays gone you'll see cleanse your hands wash  
them clean!

Be now who you wanna be, put aside all the things you  
loathe to remember.

Yesterdays gone you'll see cleanse your hands wash  
them clean. Wash them clean!
