Let's hit it off if you want me
Can't stop, won't stop if you got me.

Time to explor, got my one foot out the door
Heard you hustle, you can play me boy
Get some handcuffs and got the toys.
Lets crack the whip, lets make some noise
Let's take it up to the penthouse boys

Let me take you to my spot,

Let me take you to my spot,
so tell me baby

Why are we staying here, we could just disappear, we
should be leaving here together
why should we stay all night? i could be holding you
