"The Night"

Visit "[The Night](#)" on MotoLyrics.com

Feeling a little tranquillised
Let the rhythm of the night come alive
Nothing left to do until sunrise
So lets take off up into the friendly sky to fly

One
Move your feet to the left
Two
Throw your arms in the air
Three
Kick it - back it up for me
Four
Move it to the right you'll see

That you and me can finally
Groove to this beat (get down)
Let's get the party started

Don't second guess yourself
It's the only place to go
There ain't no turnin' back
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for

Don't second guess yourself
It's the only place to go
There ain't no turnin' back
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for

Can't wait to fulfil our fantasy
Set free that appeal in you and me (yeah)
Yeah when that kick drum pounds
They take no troubled sounds
And when that beat goes through your feet
Now everybody get down down down

One
Move your feet to the left
Two
Throw your arms in the air
Three
Kick it - back it up for me
Four
Move it to the right you'll see

That you and me can finally
Groove to this beat (get down)
Let's get the party started

Don't second guess yourself
It's the only place to go
There ain't no turnin' back
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for

Don't second guess yourself
It's the only place to go
There ain't no turnin' back
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
Everybody's in the party
You could feel it in the air
(get it get it get it up)
(get it get it get it up)
Where's your drink?
Everybody gonna set it off in here
(get it get it get it up)
(get it get it get it up)
Let's get the party started

Don't second guess yourself
It's the only place to go
There ain't no turnin' back
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for

Don't second guess yourself

It's the only place to go
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(Whoa -oh -oh -oh -oh)
It's what the night is for
(down down down)
