"When Love Shows Up"

Time moves slow when you're spinning fast
Life's too short so make it last
Just one dollar to my name
Give it up comes back a hundred ways

CHORUS:

When love shows up, when love shows up
I just can't explain
When love shows up, when love shows up
I can't explain the feeling

Only the truth will set you free, yeah
Misery loves company
Just one dollar to my name
Give it up comes back a hundred ways, yeah

CHORUS

Time moves slow when you're spinning fast
Life's too short so make it last

CHORUS 2x
