Dont tell me what Ive got to do
and dont pretend it is the same youre going through.

Time after time you try to change my inner senses.
Your uncomprehending words are full of lies.

No troubles, no pain are pulling me down, its all in
vain.

I wont give up my attitude!
Just wanna live my life!
Times are changing, lifes rearranging,
but its non-aging
I wont give up my attitude!!

Open your eyes and take a look
life is not as simple as youve read it in your clever
books.

Can you remember my words? Youve never listened!!
Your stolid intelligence will never understand.

Go your own way; I dont give a damn, thats what I
say

I wont give up my attitude!
Just wanna live my life!
Times are changing, lifes rearranging,
but its non-aging
I wont give up my attitude!!

[SOLO]

Go your own way; I dont give a damn, thats what I
say

I wont give up my attitude!
Just wanna live my life!
Times are changing, lifes rearranging,
but its non-aging
I wont give up my attitude!!

No, I wont give it upBaby!
