Annihilation cross the nation,
supported by violation.
Blinded rulers lead their life.

Mean minded, weak excuses,
form slogans soaked by fear,
an endless baiting every year.

Greedy hunting treasures of the soil.
Stealing gold and tons of oil-
No constitution.

Wasting life as if its a game,
standing proud and show no shame,
just ignorance.

Magical towns, treasures and crowns, flourishing
gardens in desert land

It was the kingdom of heaven, a secret dream that
came
true.
It was the kingdom of heaven, a rich empire full of
variety.

Exaltation for damnation,
without hesitation-
unknown justice speaking right.

In the name of god and native land
there is blood on their hands-
no understanding.

Magical towns, treasures and crowns, flourishing
gardens in desert land

It was the kingdom of heaven, a secret dream that
came
true.
It was the kingdom of heaven, a rich empire full of
variety.

It was the kingdom of heaven, a rich empire full of
