Slow.. burn decay..
Nothin' beats a fade..
Not like I'd know..
Not like it'd show..
Not like I'd ever be the same..

Verse-

I don't care.. I don't care.. I don't care..
I miss the secrets shared with you..
I miss the innocence of youth..
I always thought we'd have it all..
Nobody can change a thing..
Nobody can mend the pain of, you..

Cold, blank stare..
Empty the beer..
Someone I knew..
Someone like you..
Someone I'll never see again..

Verse-

I don't care.. I don't care.. I don't care..
I miss the secrets shared with you..
I miss the innocence of youth..
I always thought we'd have it all..
Nobody can change a thing..
Nobody can mend the pain of you..

I don't care..
Verse 2x
