I see you standing there
Smilin' with your bright white teeth
Transparent like a thirty dollar motel sheet

Your the devil in a fine designer suit
Intuition tells me
The killer is you
I never doubted I'd be back for revenge
Remember these words youre goin' to pay in the end
Soul-sucker remorse never again
Yeah yeahh

Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way

I got my motorcycle
Burnin' down the 405
All this calamity
I'm happy just to be alive
I won't forget you
You corrupt, repetitive sleaze
Revolution's comin'
You'll be beggin' on your knees

I never doubted I'd be back for revenge
Remember these words you're goin' to pay in the end
Soul-sucker remorse never again
Yeah yeahh

Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way

Hey hey
Get out of the way

Hey hey hey
Hey hey hey
Hey hey hey
Hey hey hey
Hey hey hey
Hey hey hey
Hey hey hey hey hey hey

I never doubted I'd be back for revenge
Remember these words you're goin' to pay in the end
Soul-sucker remorse never again
Yeah yeahh

Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way

Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way
Hey hey
Get out of the way
Get out of the way
