JIMMIE CRACK ROCK

Jimmie Crack Rock, baby I don't care

Jimmie Crack Rock, baby I don't care

Jimmie Crack Rock, baby I don't care

Jimmie Crack Rock, baby I don't care

Hey man, are you looking for redemption

Hey man, I've got it right here

Hey man, do you need some salvation

Come on over here

They said to escape there's nothing easier

unless you find the truth

We can't take care of the ones already here

What's a little boy supposed to do

I don't care

Hey man, do you bow down to the dollar

The guy with the most toys win

Hey man, think your kids a bit neglected

Come on over here
