verse 1]

Tired Defeated

Taken Round The Block And Beaten

Dying To Be Noticed

Try It

Then The Notice Came Due

Like Treason

A One Way Ticket Back To Eden

The "Roller" Missed His Cue

Digging Through The Evidence

[Chorus]

I Just Want To Let You Know

Or You Can Make It Hurt

You Can Make It Fast Or Slow

You Can Make It Easy

Silence, Screaming

[verse 2]

Everything In Between

Stone Cold Vision

You Don't Want To Make It Worse

Leave It

Like It

Take It Down The Road Deceive It

Nothing's Gonna save You

Nothing's Sacred Here

[Chorus x2]

[verse 3]

Fill My World With All Your Sad Regrets

Blown Away

Holding Out For What I'll Never Get

Thrown Away

You Got Me Down And Out Again

Blown Away

Gone Away Again

[chorus x 2]

Thrown Away

[repeat verse 1]
[chorus x 2[repeat verse 3]
