Did you give up
Did it get easier
Did all those things you wanted come together in the
end
Is that the one
Was I the even man
Did you ever really notice how i never really cared

She smiled and looked at me and said

You don't know what it's like
(What it's like, what it's like)
You don't know what it's like
(What it's like, what it's like)
I feel like nothing at all
You don't know what it's like
(What it's like, what it's like)

Did you forget
Did you believe in it
Did all those things I promised come out empty in the
end
In every breath
And the dreams I missed
Comes with complications
Serenity (yeah yeah)

She smiled and looked at me and said

You don't know what it's like
(What it's like, what it's like)
You don't know what it's like
(What it's like, what it's like)
I feel like nothing at all
You don't know what it's like
(What it's like, what it's like inside)

I feel emptiness
(yeah, yeah)
I feel empty
(woah woah)
I feel empty

(yeah yeah yeah)

Did you give up
Did it get easier
Every day of the week
It's a day friend

You don't know what it's like
(What it's like, what it's like)
You don't know what it's like
(What it's like, what it's like)
I feel like nothing at all
You don't know what it's like
(What it's like, what it's like inside)

You don't know what it's like
what it's like
(yeah)
You don't know what it's like
what it's like
(oh yeah)
I feel like nothing at all
I feel like nothing at all
I feel like nothing
You don't know what it's like
