Hey, hey, hey, hey

Good things, good things
Don't last forever
No, no, no, no
Good things, good things
Don't last forever

And I won't be your good thing
I won't be your good thing no more

I remember how close
We used to be, just you and me
But I found out that you
Were using me, abusing me
Confusing me

I used to be so blind
Now I see, you never wanted me
Now you're out there all alone
Looking for a home
Leave me alone

Good things, good things
Don't last forever, no, no
Good things, good things
Don't last forever, oh, oh

I won't be your good thing
I won't be your good thing no more

It's the end of the line
Here's where it stops
You broke my heart
There was nothing on Earth
Too good for you, what did you do
You blew it, fool

I gave you everything that I owned
You treated me so bad
Now you don't want me no more
Just walk out that door

Leave me alone

Hey, hey, hey, hey

Good things, good things
Don't last forever
Just goes to show you, baby
Good things, good things
Don't last forever, oh, oh

I, I gave you everything that I owned
You treated me so bad
Now I don't want you no more
Just walk out that door
Leave me alone

Hey, hey, hey, hey

Good things, good things
Don't last forever
Hey, don't you know, yeah
Good things, good things
Don't last forever
No, no, no, no

Good things, good things
Don't last forever
That's what I'm talking bout, boy
Good things, good things
Don't last forever
That's what my mama told me

Good things, good things...
