

Ecstasy, Passion & Pain "Touch And Go"

Visit "[Touch And Go](#)" on MotoLyrics.com

You claim to be my man
But you see me when you can
Now you want to know
If I'm gonna let you go

It's hard for you to see
What you could have meant to me
But a man that's on the run
Is a dirty son of a gun

You fooled me with your lies
Those floating alibis
It's hard to let you go
When all the time I know

You just wanna touch me
Just touch me and go

Touch and go
When you touch me
I just can't stay no
When the only time
You ever come around
Is every time some girl
Has put you down

Hey, from the day
You kissed my lips
I fell for you
Like a ton of bricks

I never knew
You were full of tricks
You got me running (running)
Running after you

Oh, oh, touch and go
You just take my love
And then you go

And the only time
You ever come around

Is every time some girl
Has put you down

Baby, oh
Loving you was my mistake
But losing you
I know I just can't take

Just one day
I might say it's too late
Then you'll be running
(Running) running after me

Oh, ohh, touch and go
You just take my love
And then you go, babe

And the only time
You ever come around
Is every time some girl
Has put you down

Ooh, baby, oh, oh

You got me running (running)
Running after you

Oh, oh touch and go
You just take my love
And then you go away

And the only time
You ever come around
Is every time some girl
Has made up her mind
To put you down, ooh, baby

Touch and go (touch and go)
When you touch me
I just can't stay no
(Then you go away)

When the only time
You ever come around
Is every time some girl
Has put you down, ooh, baby

You wanna touch me
You wanna touch me
You wanna touch me...

(Oh, oh) touch and go
(Touch and go)
When you touch me
I just can't stay no (no, baby)

When the only time
You ever come around
Is every time some girl
Has put you down, oh, oh

Touch and go (touch and go)
When you touch me
I just can't stay no
(Ooh, baby, ooh, baby)

When the only time
You ever come around
Is every time some girl
Has put you, put you down

Touch and go (touch and go)
When you touch me
I just can't stay no
(No, no, no, baby)

When the only time
You ever come around
Is every time some girl
Has put you down...
