Words & Music by  
Ed Bruce and Donnie Blanz

At the door at five a.m.  
Off to bust my back again  
And here you are, kissing me goodbye  
Suddenly the day at hand  
Doesn't seem to be so bad  
Once again, you make things alright

- Chorus -

How do you do that  
You find diamonds in the drops of rain that fall  
While I just get wet  
You let the sun shine through it all  
It's a wonder to me  
How do you do that

You call to say "Honey, hurry home"  
You've thought about us all day long  
Baby, tonight we're staying in  
We'll count the stars on a moonless night  
Watch the shadows by candlelight  
And you'll love me like the first time again

(Repeat Chorus)

You're a wonder to me  
How do you do that
