Tonight I prayed I'll lay me down to sleep
And know I pray the lord my mind where keep
Or at least just let me die, before I wake
Cause my life is the only thing you didn't take

You left me with one thing I can't use
And everything I treasured, left with you
God know that I can't live like this for long
Cause love ain't something I can do alone

Tonight I prayed I'll lay me down to sleep
And know I pray the lord my mind where keep
Or at least just let me die, before I wake

Cause my life is the only thing you didn't take

Tomorrow may be better than today
But I'm afraid, it's yesterday that's killing me
And god know that I can't live like this for long
Cause love ain't something I can do alone

Tonight I prayed I'll lay me down on to sleep
And know I pray the lord my mind where keep
Or at least just let me die, before I wake
Cause my life is the only thing you didn't take

God know that I can't live like this all long
Cause love ain't something I can do alone
