"You're A Bad Mistake I've Made"

I know I've made, mistakes before
I guess that I'll make u fell more
Cause nobody is perfect
And I let explained that way
And baby, you're just the bad mistake I've made

I heaten my love
To take in your hands
And I've tried to be strong
but I'm only a man
I just couldn't be givin
Much more than I could take

Baby, you're just the bad mistake I've made

Someday remember, what I'm sayin'
When you wakeup, and you realize the pride set your
pain

I lil come on time
For the roam
When you think by
On the hurt you rode on
And he's gonna hurt you
And you have to pay
And like me again, you never make the same mistake
Oh baby, you're just the bad mistake I've made
