Alligator boy, get back in the swamp
Alligator boy, you're looking so scared
Alligator boy, get back in the swamp
Alligator boy, you're looking so scaley

Flicking your tail from side to side with a sick kind of
expression
You're looking for an alligator bride

Alligator boy, pretend you're a log
Alligator boy, why'd you eat my dog?

Genetically grafted from all kinds of cells
You're a silly little freak, waiting for the chime of
wedding bells

Break it down!
Now listen to what I'm gonna say

And it's too late, stop looking for a mate
It's too late stop looking for a mate (x4)
It's too late, stop looking
It's too late, stop looking for a mate (x2)

Alligator Boy (repeated)
