Oooh... Oooh...

Headed out into my desert
all alone and thirsty for something more
than the whiskey that had become my water
Would you mind if I put this on your shoulder?

I need something more

Here I am,
standing inside your love like a child.
Falling asleep at the wheel of my life
and letting you drive.
I'm letting you drive.

Oooh...

Headed out into my dark night,
like a soldier surrounded in the losing fight.
Probability of a victory's over.
Would you mind if I put this on your shoulder?

I need something more

Here I am,
standing inside your love like a child.
Falling asleep at the wheel of my life
and letting you drive.
I'm letting you drive.

Oooh....

You're the only one,
You're the only one who can save me.

I need something more

Here I am,
standing inside your love like a child.
Falling asleep at the wheel of my life
and letting you drive.
I'm letting you drive.

Here I am,
right where I belong.
On the shoulder, hanging off the keys,
close my eyes and letting you drive
I'm letting you drive.
