don't bother telling me what i got coming in the
morning
I already know
I got some feelgood pills and a red gatorade by my
bed
Ready to go

I'm gonna do my best to dance with every girl in this
bar
Before they shut it down
Then i'll pay my tab climb in a cab
Headin' to a spot downtown

It's all about tonight
Good times and the music and laughing and grooving
to the band
Everybody's getting right
No worries we're rocking all kinds of concoctions in our
hands
Yeah tomorrow can wait 'til tomorrow
It's all about tonight

Hey pretty thing
I've been looking at you since the moment that you
walked in
I got some wild-**** buddies that love spending money
And i see you brought a couple of friends

Just tell me your name
I don't need your number or a date next saturday
Baby let's act like fools break a few rules

Party the night away

It's all about tonight
Good times and the music and laughing and grooving
to the band
Everybody's getting right
No worries we're rocking all kinds of concoctions in our
hands
Yeah tomorrow can wait 'til tomorrow
It's all about tonight

Haha slide

It's all about tonight
Good times and the music and laughing and grooving
to the band
Everybody's getting right
No worries we're rocking all kinds of concoctions in our
hands
Yeah tomorrow can wait 'til tomorrow
I said tomorrow can wait 'til tomorrow
It's all about tonight

Yeah it's all about tonight
Come on it's all about tonight
We're gonna get our swerve on a buzz on
It's all about tonight
Come on baby i wouldn't worry about that
It's all about tonight
