Well the boys 'round here don't listen to The Beatles  
Run ole Bocephus through a jukebox needle  
At a honky-tonk, where their boots stomp  
All night; what? (That's right)  
Yea, and what they call work, digging in the dirt  
Gotta get it in the ground 'fore the rain come down  
To get paid, to get the girl  
In your 4 wheel drive (A country boy can survive)

Yea the boys 'round here  
Drinking that ice cold beer  
Talkin' 'bout girls, talkin' 'bout trucks  
Runnin' them red dirt roads out, kicking up dust  
The boys 'round here  
Sending up a prayer to the man upstairs  
Backwoods legit, don't take no sh\*t  
Chew tobacco, chew tobacco, chew tobacco, spit

Aw heck  
Red red red red red redneck

Well the boys 'round here, they're keeping it country  
Ain't a damn one know how to do the dougie  
(You don't do the dougie?) No, not in Kentucky  
But these girls 'round here yep, they still love me  
Yea, the girls 'round here, they all deserve a whistle  
Shakin' that sugar, sweet as Dixie crystal  
They like that y'all and southern drawl  
And just can't help it cause they just keep fallin'

For the boys 'round here  
Drinking that ice cold beer  
Talkin' 'bout girls, talkin' 'bout trucks  
Runnin' them red dirt roads out, kicking up dust  
The boys 'round here  
Sending up a prayer to the man upstairs  
Backwoods legit, don't take no sh\*t  
Chew tobacco, chew tobacco, chew tobacco, spit

Let me hear you say  
(Ooh let's ride)

(Ooh let's ride)  
Down to the river side

(Ooh let's rideâ€¦)  
Hey now girl, hop inside  
Me and you gonna take a little ride to the river  
Let's ride (That's right)  
Lay a blanket on the ground  
Kissing and the crickets is the only sound  
We out of town  
Have you ever got down with aâ€¦  
Red red red red red red redneck?  
And do you wanna get down with aâ€¦  
Red red red red red red redneck?  
Girl you gotta get down

With the boys 'round here  
Drinking that ice cold beer  
Talkin' 'bout girls, talkin' 'bout trucks  
Runnin' them red dirt roads out, kicking up dust  
The boys 'round here  
Sending up a prayer to the man upstairs  
Backwoods legit, don't take no sh\*t  
Chew tobacco, chew tobacco, chew tobacco, spit

(Ooh let's ride)  
Red red red red red red redneck  
(Ooh let's ride)  
I'm one of them boys 'round here  
(Ooh let's ride)  
Red red red red red red redneck  
(Ooh let's ride)

(Ooh let's rideâ€¦)  
Well all I'm thinkin' 'bout is you and me, how we'll be  
So come on girl, hop inside  
Me and you, we're gonna take a little ride  
Lay a blanket on the ground  
Kissing and the crickets is the only sound  
We out of town  
Girl you gotta get down with aâ€¦  
Come on through the country side  
Down to the river side
