Where are you now,  
Who's holding you now,  
When your world stands still,  
Do you remember.

Leaves were falling,  
We were falling,  
Almost like a dream,  
Do you remember.

Seasons changed,  
We both changed,  
Sometimes I go back to when

We ran, put our feet in the water,  
We danced, didn't care who could see.  
We sang, every song to each other,  
Summer would end but not for me.

I still feel the hope in your kisses,  
I still feel the sun on your skin.  
I swear I was holding forever,  
Back then, do you remember.

Where I am now,  
Is where I should be now.  
You're so far away,  
But always with me.

It seems like another life,  
Whenever I go back to when...

We ran, put our feet in the water,  
We danced, didn't care who could see.  
We sang, every song to each other,  
Summer would end but not for me.

I still feel the hope in your kisses,  
I still feel the sun on your skin.  
I swear I was holding forever,  
Back then, do you remember.

We ran, we kissed, we learned to love, to live

We ran, put our feet in the water,  
We danced, didn't care who could see,  
We sang, every song to each other,  
Summer would end but not for me.

I still feel the hope in your kisses,  
I still feel the sun on your skin,  
I swear I was holding forever  
Back then, do you remember.
