Girl when I look at you  
You look through me  
Like I'm not even there  
I try not to give up, to be strong but  
I'm afraid to say I'm scared  
I can't find the place  
Your heart is hiding  
I'm no quitter but I'm tired of fighting

Baby I love you  
Don't want to lose you  
Don't make me let you go  
Took such a long time  
For me to find you  
Don't make me let you go  
Baby I'm begging please  
And I'm down here on my knees  
I don't want to have to set you free  
Don't make me

What if when I'm long gone  
It dawns on you  
You just might want me back  
Let me make myself clear  
If I leave here  
It's done; I'm gone, that's that  
You carry my love around  
Like it's a heavy burden  
Well I'm about to take it back  
Are you sure it's worth it

Baby I love you  
Don't want to lose you  
Don't make me let you go  
Took such a long time  
For me to find you  
Don't make me let you go  
Baby I'm begging please  
And I'm down here on my knees  
I don't want to have to set you free  
Don't make me

Don't make me

(Don't make me)

Baby I'm begging please  
And I'm down here on my knees  
I don't want to have to set you free  
Don't make me

Baby I love you  
Don't want to lose you  
Don't make me let you go

Don't make me  
Stop loving you

(Don't make me)

Stop needing you
