Good morning beautiful how was your night?
mine was wonderful with you by my side
and then I, open my eyes, see your sweet face
it's a good morning beautiful day.

I couldnt see the light
I Didn't know day form night
I had no reason to care
since you came along
I can face the dawn
cause i know you'll be there

Good morning beautiful how was your night?
mine was wonderful with you by my side
and then I, open my eyes, see your sweet face
it's a good morning beautiful day.

I never worry if it's raining outside
sitting here with you girl the sun always shines

Good morning beautiful how was your night?
mine was wonderful with you by my side
and then I, open my eyes, see your sweet face
it's a good morning beautiful day.

Good morning beautiful.... day!!!!
good morning beautiful, its a beautiful day
good morning beautiful....good morning
good morning beautiful, what a beautiful day
good morning beautiful....
