Well every time I turn around I see some dude dressed
like a clown
Baggy pants and a Cap on sideways
They don't say Ma'am or Sir no more they won't even
hold a door for a woman
Well it's a crying shame

Tell me where did all the Good Ole Boys Go?
Must be workin' on a farm or out there chasing
rainbows
Are they back in Oklahoma or in a Texas rodeo?
Tell me where did all the Good Ole Boys Go?

Are they sitting on a an old bar stool or telling lies and
cutting a fool
Talking about 'the way it was' and wishing?
Down in Orange Beach, Alabama hanging out at the
Flora-Bama heading out the
Pass and goin' fishin'?

Tell me where did all the Good Ole Boys Go?
Must be workin on a farm or out there chasing rainbows
Are they hiding down in Georgia or in a Texas rodeo?
Tell me where did all the Good Ole Boys Go?

Are they drivin' cattle and a ridin' high living life the
Cowboy way?
Or Down there on the front line fighting off the bad
guys, giving them hell
For the good ole USA?

Tell me where did all the Good Ole Boys Go?
Must be workin on a farm or out there chasing rainbows
Are they back in oklahoma or in a texas rodeo?
Tell me where did all the Good Ole Boys Go?
Yeah just where the hell did all the good ole boys go?

(I know where a few of them are, down there in
southern Oklahoma, even some
Down in Texas, I even saw one on NY one time, you
know what I'm talking
About ladies, hell I'll hold the door for you, I'll hold your

purse for you,
I'll even go pick up some feminine products for you,
that's what a good ole
By would do)
