One day shy of 8 years old  
Grandma passed away  
I was a broken hearted little boy  
Blowin' out that birthday cake

How I cried when the sky let go  
With a cold and lonesome rain  
Momma smiled said don't be sad child  
Grandma's watchin' you today

'Cause there's holes in the floor of heaven  
And her tears are pourin' down  
That's how you know she's watchin'  
Wishing she could be here now

And sometimes if you're lonely  
Just remember she can see  
There's holes in the floor of heaven  
And she's watchin' over you and me

Season's come and seasons go  
Nothing stays the same  
I grew up, fell in love  
Met a girl who took my name

Year by year, made a life  
In this sleepy little town  
I thought we'd grow old together  
Lord, I sure do miss her now

'Cause there's holes in the floor of heaven  
And her tears are pourin' down  
That's how you know she's watchin'  
Wishing she could be here now

And sometimes if you're lonely  
Just remember she can see  
There's holes in the floor of heaven  
And she's watchin' over you and me

But there's holes in the floor of heaven  
And her tears are pourin' down

That's how I know she's watchin'  
Wishing she could be here now

And sometimes when I'm lonely  
I remember she can see  
There's holes in the floor of heaven  
And she's watchin' over you and me

Well, my little girl is 23  
I walk her down the aisle  
It's a shame her mom can't be here now  
To see her lovely smile

They throw the rice, I catch her eye  
As the rain starts comin' down  
She takes my hand says daddy don't be sad  
'Cause I know Momma is watchin' now

And there's holes in the floor of heaven  
And her tears are pourin' down  
That's how you know she's watchin'  
Wishin' she could be here now

And sometimes when I'm lonely  
I remember she can see  
Yes, there's holes in the floor of heaven  
And she's watchin' over you and me

Watchin' over you and me  
Watchin' over you and me  
Watchin' over you and me
