This morning when I woke up
And man I had a bad backache
And my head felt like it took new form.
Last night I stuck an ice pack where I sat on the maniac
2000 pounds of muscle and horn.
I remember smilin' as we kicked up mud
Out in the bright lights and I recall
A cussin' when I lost control
And he sent me on a high flight

Hey, I don't do this for the money
I don't do it for the fame
It's cause he threw me to the ground all bloody
That's the reason I can't walk away.

I stumbled out to my pick-up
My joints popped in ten different places
One I never knew I had
I'm out here on the highway
My one track mind sticks in replay
And I start to get real mad
Seems I've lost track of all the buckles and the big
checks
But I remember every time I've landed in a pile of B.S.

Hey, I don't do this for the money
I don't do it for the fame
It's cause he threw me to the ground all bloody
That's the reason I can't walk away.

Hey, I don't do this for the money
I don't do it for the fame
It's cause he threw me to the ground all bloody
That's the reason I can't walk away.
I can't walk away
I can't walk away
I can't walk away
