I miss the look of surrender in your eyes  
The way your soft brown hair would fall  
I miss the power of your kiss when we made love  
Oh but baby most of all I miss my friend

The one my heart and soul confided in  
The one I felt the safest with  
The one who knew just what to say  
To make me laugh again and let the light back in  
I miss my friend

I miss the colours that you brought into my life  
Your golden smile, those blue-green eyes  
I miss your gentle voice in lonely times like now  
Saying it'll be alright, I miss my friend

The one my heart and soul confided in  
The one I felt the safest with  
The one who knew just what to say  
To make me laugh again and let the light back in  
I miss my friend

I miss those times, I miss those nights  
I even miss our silly fights  
The making up, the morning talks  
And those late afternoon walks  
I miss my friend

The one my heart and soul confided in  
The one I felt the safest with  
The one who knew just what to say  
To make me laugh again and let the light back in  
I miss my friend  
I miss my friend  
I miss my friend  
I miss my friend
