If I was a cloud
I'd make baby raindrops
And they'd feed the treetops
If I was a cloud

If I was the sun
I'd shine on the flowers
And pass on the power
If I was the sun

If I was the moon
I'd caress every ocean
In celestial motion
If I was the moon

If I was a star
Charmed and enchanted
All wishes would be granted
If I was a star

If I was your man
The kisses would linger
I'd melt in your fingers
If I was your man

If I was your man
We'd share every shower
And wash away the hours, baby
If I was your man

If I was a song
I'd reach all the people
From barrooms to steeples
If I was a song

If I was a dream
I'd be sweeter than honey
I'd be bigger than money
If I was a dream

If I was your man
We'd dance through the daisies

They'd say we were crazy girl
If I was your man

If I was your man
I'd pump you with this passion
You'd get more
Than fashion, baby

If I-I-I was your man
You would not have to hurry
I'd rub away your worries girl
If I was your man

If I was your man
Then we'd be together
Now and forever, baby
If I was your man

And if we were love
We'd heal every nation
We'd be on everybody's station
If we were love

If I was your man
Sweet lovin' man
If I was your man
If I was your man
