I'll Just Hold On By Blake Shelton

I can taste your kiss on my lips  
And I'm wrapped around your finger tips  
As I watch the moonlight dancing on your skin  
Your green eyes and the sweet red wine  
Go to my head girl every time  
And I get drunk on you  
I lose control and then  
And here I go again

Chorus

I'm falling for you even though I know your only  
playing with my heart  
Tomorrow might be hell  
But a night or two of loving you is better than never at  
all  
And I can't help myself  
So I'll just hold on  
I'll just hold on  
I'll just hold on  
Until your gone

Girl I know you're a gypsy soul  
And I'm just a stop along your road  
And you hang around long enough to blow my mind

If I had a star for every scar  
You tattooed on my heart  
I could fill up the Oklahoma sky  
So girl I don't know why

Chorus

I'll just hold on  
I'll just hold on  
I'll just hold on  
Till your gone

I look down and my cell phone rings  
And I see your name and I know what that means  
But I don't care

Iâ€™ll just hold on  
Till your gone

Every time you need to take it home?  
Seeing you there just breaks my heart?  
I donâ€™t care  
Iâ€™ll just hold on  
Till your gone

Your green eyes and that sweet red wine  
Go to my head girl every time  
But I donâ€™t care  
Iâ€™ll just hold on  
Till your gone
