There ought to be a town somewhere  
Named for how I feel  
Yeah, I could be the mayor down there  
Say, ?Welcome to Sorryville?

It wouldn't be on a map nowhere  
You might say it that it don't exist  
But if you make enough wrong turns  
It'd be hard to miss

There ought to be a bridge somewhere  
They could dedicate to me  
I'd probably come to the ceremony  
With a can of gasoline

And walk on over to the other side  
And there I'd light a match  
And sit and stare through the smoke and flames  
Wonderin' how I'm gonna get back

Why do I do the things I do?  
Was I born this way? Am I a self-made fool?  
I shoot the lights and I curse the dark  
I need your love but I break your heart

And I know the words that'll bring you back

But I don't say nothin' as I watch you pack  
I had to work to be the jerk I've come to be  
It ain't easy bein' me

Ought to be a side show act  
For freaks like me  
Yeah, I could be the star of the show  
With my name on the marquee

In a room with a big red button  
That says, "Danger, do not touch"  
Twice a day I'd mash it down  
And you could watch me self-destruct

Why do I do the things I do?

Was I born this way? Am I a self-made fool?  
I shoot the lights and I curse the dark  
I need your love but I break your heart

And I know the words that'll bring you back  
But I don't say nothin' as I watch you pack  
I had to work to be the jerk I've come to be  
It ain't easy bein' me  
Now, it ain't easy bein' me
